On receipt of all the above documents & Document Processing fee the activation of the registration will take at least 2 working days from the date of receipt of registration documents subject to verification & the consumer would be intimated through email.

Note: Consumers already registered with us are requested to provide their coaljunction Buyer ID in an application letter along with the above mentioned documents.

The consumer / bidder will be responsible for ensuring to keep the registration valid, and for the purpose, the consumer / bidder will keep all the documents mentioned above valid throughout the period right from bidding upto completion of lifting. In the event of expiry of any of these documents, the registration will automatically become dormant and during the period of dormancy, the consumer / bidder will not be allowed to participate in bidding by mjunction and release of coal will be kept suspended by the Coal Company. Such suspension of release of coal will be treated as a failure on the part of consumer / bidder and the proportionate EMD equivalent to the failed quantity shall be forfeited. The registration will however be restored by mjunction and thereafter participation in the bidding will be allowed after submission of the valid document(s) / extension of the validity of the document(s) and coal releases / lifting will be allowed by the Coal Company.

mjunction will also remain vigilant and monitor the validity of all the documents and disallow the consumer to participate in bidding in case any of his documents becomes invalid.

After registration, all consumers / prospective bidders will have an auto-generated Unique User ID and a Password which will be same as Spot eAuction User ID and a Password based on which they can log in on mjunction's web site.

The consumers / prospective bidder must get themselves registered with an approved certifying agency and obtain digital signature for their authentication / proving genuineness which would enable them to participate in e-Auction. The consumers / prospective bidders are required to contact mjunction in this regard for clarification and guidance, if required by them.

Only one registration will be done against one PAN number. However, for more than one coal consuming unit, having independent valid sales tax / VAT registration, more than one registration against one PAN Number can be considered. In such cases, the details of valid sales tax / VAT registration **against each consuming unit** will be indicated in each 'Photo Identity Card'. In the event of one PAN number and one sales tax /VAT registration number is same for a consumer having multiple units in one state, more than one registration will be allowed based on independent valid excise registration number or factory license for such units and the same will be indicated in each "Photo Identity Card".

Photo ID Cards:

mjunction shall issue "Photo Identity Card" to their registered bidders duly authenticating the identity & signature, indicating a "Unique Registration Number" allotted to them. The "Unique registration number" of the registered bidders shall be communicated to the Coal Companies by mjunction. The details of the Sales tax / VAT registration number as well as consumer status of the applicant unit shall also be duly **incorporated in each Photo Identity Card.**
