

Spot & Forward e-Auction Notice:

This is to inform all Spot & Forward e-auction Coal buyers that, as per guidelines of Coal India Ltd. (CIL), Coal buyers will have to use digital signature for login and accepting the terms and conditions in both **Spot & Forward e-auctions**.

For participating in **Forward e-auctions**, it has become mandatory to use digital signature from December 01, 2009 onwards.

For participating in **Spot e-auctions**, use of digital signature will become mandatory very soon. Therefore the Spot e-auction coal buyers are advised to keep their digital signature certificates ready for usage in the near future.

All coal buyers are requested to submit **proof of evidence** that the digital signature certificate/e-token is purchased by/issued to the Company / Organisation /Enterprise/ Director / Authorised signatory. The proof may be in the form of attested copy of challan or purchase order of the certificate clearly mentioning the issuer, validity and class of the certificate.

The digital signature has to be from authorized certifying authority (CA).

Coal Buyers interested in purchasing a digital signature certificate may contact:-
