

**Terms & Conditions of Special Forward e-auction Scheme, 2015 for
Power Producers (including CPPs)
(For sale of coal for the year 2015-16)**

Introduction:

In terms of MOC letter No 23011/19/2015-CPD dated 15th October 2015 a new scheme called "Special Forward E-Auction Scheme for Power Producers (including CPPs)" has been evolved for implementation with competent approval.

Objective:

The Special Forward E-Auction scheme is aimed to make an earmarked quantity of coal available for supply through e-auction to all Power Producers.

1. Eligibility & Price:

1.1 All power producers, including Biomass based power plants already commissioned and who are in stress in respect of coal receipt or being commissioned in 2015-16, are eligible to apply for the Special e-auction window **for own consumption only and not for transfer or re-sale of coal.**

1.2 **Price of Coal** : The Reserve Price of coal shall be as under

- a) For Power Producers(IPP/State Gencos) : The Reserve price shall be 20% over the notified price applicable for the power sector.
- b) For Captive Power Plants (CPPs): The Reserve Price shall be 20% over the notified price applicable for non power sector consumers.

Eligible CPPs may participate in the bidding along with the IPPs/State Gencos in the same auction platform, however, in case of winning the bid , the Bid price shall be determined considering the percentage increase over the reserve price where the reserve price shall be as applicable for the non power consumers.

2. Registration:

2.1 To participate in Special Forward e-Auction, Power Producers shall be required to register himself / itself with respective Service Provider nominated/appointed by CIL / Subsidiary Coal Company. For such registration, a consumer shall be required to complete all necessary formalities by making an application to the nominated/appointed Service providers of CIL / Coal Companies in the prescribed format available on the web site of the respective service provider along with certified copies of valid documents, including

- a) A declaration on stamp paper of minimum Rs 10(ten) value before a 1st Class/Executive Magistrate certifying coal purchased will be for own consumption and generation of power only and would not be resold,

transferred or exported . The power Producers shall also furnish the status of commissioning under the affidavit with other particulars like Name of Plant, No of Units, capacity as per format annexed as Schedule-I . Bidders shall also declare under the same Affidavit that If at any later stage, it is found that the documents produced were false, misleading or any misinterpretation was made, the defaulting bidder shall be debarred from participating in auction of coal by CIL for next 1 year.

- b) Certificate of incorporation issued by the registrar of companies (ROC),
 - c) Latest Income-tax return
 - d) PAN No ,
 - e) Valid Sales Tax/VAT registration certificate,
 - f) A board resolution authorizing one representative of the power plants who will be authorized to sign on behalf of the company with attested passport size photographs of the authorized Officials.
- g) Valid NOC from State Pollution Control Board,
- i. Wherever the State Pollution Control Board is not specifying the validity of the certificate issued by them to the unit or in other words have issued the open ended certificate such a certificate will be considered acceptable and intimation will be sent to the authority responsible for issuance of Pollution Certificate in the State. And
 - ii. For the purpose of registration bidders who are yet to receive Pollution Certificate in spite of having applied for the same may furnish evidence by producing certified copy of payment receipts / acknowledgements etc. for such applications made to the pollution control authority. However, before participating into the bidding they will have to produce either the valid Pollution Certificate or a "No Objection" for consuming coal issued by the Pollution control Board/ authority to which application for pollution certificate had been made.
 - iii. The Bidder in case of non availability of either of (i) & (ii) may become eligible to Bid by furnishing an Affidavit that they will furnish the Consent To Operate before 31.12.2015. Supply of coal shall only take place after submission of CTO/NOC as above .In case of failure, coal allocation secured , if any, would stand cancelled and the corresponding EMD submitted shall stand forfeited.
- h) The registration can be done on-line or at any front office of the service provider.

2.2 The bidder will be responsible for ensuring to keep the registration valid, and for the purpose, the consumer / bidder will keep all the documents mentioned in clause 2.1 valid throughout the period right from bidding upto completion of lifting. In the event of expiry of any of these documents, the registration will automatically become dormant and during the period of dormancy, the consumer/ bidder will not be allowed to participate in bidding by the service providers and release of coal will be kept suspended by the Coal Company.

Such suspension of release of coal will be treated as a failure on the part of consumer / bidder and the proportionate EMD equivalent to the failed quantity shall be forfeited. The registration will however be restored by the service provider and thereafter participation in the bidding will be allowed after submission of the valid

document(s) / extension of the validity of the document(s) and coal releases / lifting will be allowed by the Coal Company.

The service provider will also remain vigilant and monitor the validity of all the documents and disallow the bidder to participate in bidding in case any of his documents becomes invalid.

2.3 After registration, all prospective bidders will have an auto-generated Unique User ID and a Password based on which they can log in on the Service Provider's web site. Details of registration process with Service Providers will be available in their respective web site.

2.4 The prospective bidder must get themselves registered with an approved certifying agency and obtain digital signature for their authentication / proving genuineness which would enable them to participate in e-Auction. The consumers / prospective bidders are required to contact their respective service provider in this regard for clarification and guidance, if required by them.

2.5 Only one registration will be done against one PAN number. However, for more than one coal consuming unit, having independent valid sales tax / VAT registration, more than one registration against one PAN Number can be considered. In such cases, the details of valid sales tax / VAT registration against each consuming unit will be indicated in each 'Photo Identity Card'. In the event of one PAN number and one sales tax/VAT registration number for a bidder having multiple units in one state, more than one registration will be allowed based on independent valid excise registration number or factory license for such units and the same will be indicated in each "Photo Identity Card".

2.6 The registration done earlier by the applicants for "Special E-auction 2015 for power producers" will be valid for "Special Forward e-Auction" with the respective Service Provider and the documents submitted earlier should be valid .

3. Photo ID Cards:

The Service Provider shall issue "Photo Identity Card" to their registered bidders duly authenticating the identity & signature, indicating a "Unique Registration Number" allotted to them. The "Unique registration number" of the registered bidders shall be communicated to the Coal Companies by the Service Provider. The details of the Sales tax / VAT registration number as well as consumer status of the applicant unit shall also be duly incorporated in each Photo Identity Card.

4. Earnest Money Deposit (EMD)/ Bank Guarantee as Security Deposit:

4.1(a) All interested registered consumers shall be required to deposit in advance non-interest bearing EMD with respective service provider for such an amount as would cover 10% of the reserve price (of e-Auction concerned) for the intended bid quantity in terms of basic price of coal exclusive of taxes, duties and other charges as applicable before participating in Special forward e-Auction, . This may be paid upfront by way of Bank Draft / Bankers P.O or by way of e-transfer. Or,

4.1(b) The Bidder shall have the option to furnish the EMD in the format of Bank Guarantee ,

- i) Which shall be to the tune of 20% of the reserve price of special forward e-auction for the intended bid quantity in terms of Basic price excluding taxes duties and other charges.
- j) Such BG to be submitted separately for each subsidiary, if the Bidder intends to participate in e-auction for more than one subsidiary.
- k) The BG should be drawn on any schedule Bank located at Kolkata and to be furnished Ten (10) days in advance or else due to delay in confirmation of BG Bidder cannot participate in auction.
- l) The validity of the BG shall be throughout the pendency of lifting plus 90 days in case of Rail and 45 days in case of Road which will be extendable as desired by the concerned coal companies in case of Rail supply.
- m) Confirmation of the BG shall be taken in writing from the issuing and the nodal Branch by the Service Providers. However in spite of effort if the service provider fails to get required BG confirmation from the issuing and the nodal branch before the schedule auction date, the bidder shall not be eligible to participate in the bidding and the reason for non confirmation of BG shall be attributed to the bidders.
- n) After completion of auction the BG of the successful Bidders will stand transferred to concerned subsidiary along with the copy of the confirmation of the BG by the Service Providers, where only after payment of the coal value supply of coal will start.
- o) In the event of failure of the Bidder to deposit the coal value for lifting of coal the BG will be encashed by the concerned subsidiary.
- p) In case of falsification in BG, the concerned Bidder will be Blacklisted also any amount equivalent to EMD in credit of any subsidiary of CIL the same will be forfeited.

4.2 As long as EMD is available in the registered consumer's account with the Service Providers, the consumer can participate in Special e-Auction conducted by any coal company of CIL through the particular Service Provider. In other words, it maybe a global EMD for participating in e-Auction conducted by a Service Provider. However, such option will not be available in case of company wise BG is submitted by the Bidder in place of cash EMD.

5. Methodology:

5.1 Special Forward e-Auction for Power Producers shall be conducted as one time dispensation for the balance period of the year 2015-16.

5.2 CIL/Coal companies would draw programme for Special e-Auction which will be notified minimum 15 days in advance from the date of commencement of special e-auction on the CIL/Coal Companies' Notice Boards as well as their Websites. The programme shall be intimated to the respective Service Provider for hoisting the same at their web site also for information of all interested consumers.

5.3 The Service Provider shall conduct the Special e-Auction as per the programme notified by Coal Companies and in the web site of the Coal Companies and Service Providers on the scheduled date/s and time. Auction for individual subsidiaries will be done on separate days.

5.4 The date, time and period of e-Auction as notified in advance including closing time on portal of Service Provider shall be adhered to except in force majeure situations. However, the closing time of e-Auction will be automatically extended up to last Bid time, plus 5 minutes, so that opportunity is given to other Bidders for making an improved Bid on that item.

5.5 Before on-line bidding for price and quantity in the Special e-Auction, the bidder shall agree on-line to accept the condition that the coal purchased in the Special e-Auction shall be used for own consumption only and not for any other purposes. The bidder shall also agree on-line to all the other terms & conditions displayed along with the notice of Special e-Auction.

5.6 Before participating in e-Auction, bidders must satisfy themselves with the grade/quality of coal being offered from a source.

5.7 'Third Party' sampling facility as is being currently in vogue for the FSA consumers with the Power Producers(IPP/SEB) shall be available to successful bidders under the special e auction, if requested in writing to the supplying coal company. Debit/Credit notes shall be issued in case of grade slippage/improvement .

5.8 Prospective Bidders are entitled to bid for the quantity to the extent of amount of EMD / BG coverage which is available with the Service Provider in the bidder's account at the time of bidding. However, in case of BG till the BG confirmation is not received from the issuing Bank, the Bidder shall not be able to participate in the auction.

5.9 The bidder has to bid for a price equal to or above the reserve price so as to secure consideration in the concerned Special e-auction.

5.10 The bidder shall offer his Bid price (per tonne) in the increments of Rs.10/- (Rupees ten) or multiple thereof during the normal e-Auction period. During the extended period, the bidder shall offer his Bid price in the increment of Rs.20/- (Rupees twenty) or multiple thereof.

5.11 Following criteria would be adopted in deciding the successful bidders:-

(a) Precedence will be accorded to the highest bid price in the descending order (H1, H2, H3 and so on) as long as the offered quantity is available for allocation.

(b) If two or more buyers bid the same highest price, precedence for allotment will be accorded to the buyer who has placed the bid for the higher quantity.

(c) In case two or more buyers bid the same price and the same quantity, precedence will be given to the buyer who has accorded his bid first with reference to time.

5.12 While maintaining the secrecy of Bidder's identity, the web site shall register and display on screen the lowest successful Bid price at that point of time. The system will not allow a Bidder to Bid in excess of his entitled quantity as per his

EMD or coverage under BG. However once a Bidder is out-bided by another (in part or full) the particular Bidder shall become eligible for making an improved Bid.

5.13 Plants being commissioned: The Plants yet to achieve commissioning, may participate in the bidding however, supply of coal to such plants shall be subject to furnishing the certificate of commissioning issued by CEA. Commissioning certificate submitted after the last date for accepting payment for supply in March 2016 shall not be considered.

5.14 The period available till March 2016 after the date of commissioning shall be considered for supply of the quantity and divided MSQ in consultation with the successful bidders. In case, the Bidder fails to submit Commissioning certificate before the last date for acceptance of the coal value for supply during March 2016, the EMD/BG furnished shall be forfeited/encashed and no coal shall be supplied.

6. Conditions for dispatches by Rail and Road.

6.1 There will be separate Special e-Auctions for dispatches by rail and road mode (though conducted under same notice) even if e-Auction offer by rail and road mode is from the same source earmarking separate mode-wise quantities under the same Special e-Auction for that source. For the sources where rail/road mode (both rail and road modes) are offered, the bidder if desires may bid for any of the road or rail mode from the same source but if the bidder chooses to bid coal by rail, then he will not be allowed to bid coal by road mode. As at least, around 4000 tonne is required for formation of rake, the minimum quantity for bidding either by rail or by road mode is kept at a round off quantity of 4000 tonne and in multiple thereafter. The minimum quantity for bidding shall be 4000 tonne (Four thousand tonne only) and in multiple thereafter for a source for supply by road mode only for the period. For the sources where coal supply will be by rail only, the minimum quantity for bidding shall be one rake and in multiple thereof for the period for a source. The rake size shall be as per prevalent Railway rules. The quantity of coal in a rake shall be as indicated in the notice of Special e-Auction. However during lifting of coal bidder can exercise his choice of mode in consultation with and if agreed by the coal companies, under the above.

6.2 The Buyer should satisfy itself / himself about the Rake fit stations / destinations from the Railways before participation in e-Auction by rail. Non-acceptance of the programme, even after the option exercised under extant Railway rules, on account of rake-fit stations / destinations being not accepted by the Railways shall be treated as a failure of the Buyer leading to forfeiture of relatable EMD/BG.

6.3 The consumer, while bidding shall quote their "Bid price" per tons in Indian Rupee as base coal price on FOR/FOB colliery basis, Special of other charges like statutory levies, surface transportation charges, sizing/beneficiation charges, taxes, cess, royalty, SED, & any other charges as will be applicable at the time of delivery. These charges as well as freight etc. shall be on the Buyers' account. Any increase in statutory charges / other charges will be notified / hoisted on web-site by the coal companies.

7. Post E-Auction Process:

7.1 Each successful bidder will be intimated through e-mail / SMS by the Service Provider on the same date after the closure of e-Auction. However, it will be the responsibility of the bidder to personally see and download the result displayed on website, on the same date after close of e-Auction.

7.2 Equivalent amount of EMD of the successful consumer / bidder corresponding to successful bid quantity, shall be blocked and will be transferred to Coal Company by the service provider along with the bid sheet in respect of successful consumer / bidders. In case of BG , the BG shall be sent to the concerned coal company from where the Bid has been won.

7.3 The successful bid quantity of a bidder for the period (operative months) would be divided in equal parts for determining Monthly Scheduled Quantities (MSQ) for coal supplies during the period. However, in case of supply by rail, such equal monthly parts shall be in the multiple of rake load. The total successful bid quantity in rake loads for the period for a bidder shall be distributed equally over the operative months of the period. In the event the total quantity is not exactly divisible by no. of operative months, the fractional quantity of either one or two or three or four rakes above the multiple of no. of operative months (say 5 months), will be programmed in the 1st or 2nd or 3rd or 4th month of the period as the case may be. For example, if a successful bid quantity is 11(eleven) rakes for a bidder in a quarter, after allocating two rakes per month of the period; the remaining 11th rake will be programmed in the 1st month of the period. Similarly, in the event of successful bid quantity being 12 rakes in the period for a bidder, the monthly allocation would be in the order of 2 rakes per month in the period and the remaining 11th and 12th rake will be programmed for 1st and 2nd month of the period respectively and so on.

In the event the successful bid quantity is only one rake or two or three or four rakes in the period for a bidder, the choice of the programme for a month shall be with the bidder for programming one rake in each month.

However based upon the availability of coal at different sources and time span the monthly programme/lifting plan, if required, may be recasted by the subsidiaries with the consent of consumer in advance.

8. Conversion of EMD into a Security Deposit:

8.1 The coal value to be deposited in advance by the successful bidders shall be computed and deposited on month to month basis against the monthly scheduled quantity after making provision for the EMD amount corresponding to the monthly scheduled quantity out of the total EMD amount already transferred by the Service provider on account of the successful bidder to the concerned Coal Company. In other words, the coal value to be deposited and the corresponding EMD amount for the monthly scheduled quantity taken together shall be equivalent to 100% coal value of the monthly scheduled quantity.

8.2 EMD amount corresponding to the monthly scheduled quantity shall not be treated as an adjustment towards the coal value in the beginning of the month but shall remain as 'Security Deposit' for performance of the bidders towards completion

of the said transaction for the concerned month i.e coal value equivalent to the SD shall be adjusted in the last phase of lifting during the month.

8.3 The above security deposit (as converted from the EMD amount) would be adjusted as coal value, only after completion of lifting of coal covered under coal value paid (for the concerned month), excluding security deposit. However, in the event of default in performance by the bidder, the provision of forfeiture of the 'Security Deposit' (as converted from the EMD) as stipulated, would be applicable.

8.4 In case of BGs, the successful Bidder shall be depositing applicable full coal value against the MSQ. The BG shall remain as security with coal company, in case of default in lifting the coal company shall encash the applicable amount from the BG giving 10 days notice to the Successful Bidder, in case the amount under encashment is paid by the Bidder within 10 days the BG shall not be encashed.

9. Financial Coverage and Terms of Payment:

9.1.1 The successful bidder after Special forward e-Auction will be required to deposit coal value for supply in a month with the concerned coal company at least 15 days prior to the commencement of that month in the period. Such payments shall be made through demand drafts / bankers cheque drawn in favour of the concerned coal company payable at the place of business of the coal company along with the debit advice issued by the bank certifying that the Demand Draft /Banker's cheque has been issued by debiting the account of the concerned consumer/ bidder.

9.1.2 In case of successful bidder if the coal value is deposited for less than the monthly scheduled quantity but not below 50% of the monthly scheduled quantity, the coal company shall accept the payment for the said amount and forfeit the EMD for the failed quantity or encash the BG for that amount. However, if the buyer fails to deposit the coal value for at least 50% of the monthly scheduled quantity then such deposit shall not be accepted and the entire EMD of the monthly scheduled quantity shall be forfeited/BG encashed for that amount.

9.1.3 In case of supply by rail, 50% of the monthly scheduled quantity shall be reckoned to be in the units of full rake size with the fractional part, if any, rounded off to a full rake.

9.1.4 In case of supply by rail, the successful bidder will have the option to deposit financial coverage in the form of BG with the concerned coal company as per prescribed format covering the maximum quantity of coal to be supplied during any month of the period, at least 15 days ahead of the commencement of the period.

9.1.5 In the event, a fresh BG is furnished by the successful bidder, the same should be deposited with the concerned coal company at least 21 working days ahead of the commencement of the period. In such cases, where financial coverage is furnished in the form of BG by the successful bidder, a notice for deposition of the coal value by way of Demand Draft /Banker's cheque/RTGS will be displayed on the notice board and also on the website of the subsidiary coal company, at least 3 working days in advance before the expected date of offer to the railways for allotment. The buyer will be accordingly required to deposit the Demand Draft /Banker's cheque/RTGS along with the debit advice issued by the Drawee Bank to

the tune of coal value for rake / rakes load to be offered/indented as per the notice within 48 hours of such notice.

9.1.6 In the event of non-deposition of 100% coal value by the bidder in terms of above clauses, the consent given against the rake programme will be withdrawn by the coal company and EMD as per e-auction scheme will be forfeited/proportionate encashment of the BG as the case may be.

9.1.7 The successful bidder shall have the option of e-payment subject to Subsidiary Coal Company having the facility of e-banking and the same is notified on the web sites accordingly.

9.1.8 The successful buyer shall pay any additional sum which may become payable by the seller under any statutory provision over and above the amount claimed in the invoice. The successful bidder will also be entitled to a refund of the sum of taxes to the seller on account of reduction, if any of the statutory levies claimed in the invoice by the seller.

9.1.9 Statutory levies payable over and above the coal price shall as applicable on the date of delivery.

9.1.10 The supply/booking schedule for the first month may have variation and may be notified by the subsidiary companies separately depending upon time available to expedite the dispatch.

10 Make Up Rights:

Make up rights will be applicable in monthly supplies by road. In case of supply by road, the Coal Company and/or the Buyer shall have the right to vary the monthly scheduled quantity of the successful bid quantity for the period, subject to a prior notice of 21 days from commencement of the month concerned. However, the successful bid quantity of the period shall remain unaltered.

11. Delivery of coal:-

11.1 By Road:

11.1.1 In case of road supplies, once the coal value is deposited by way of demand draft /pay order, drawn in favour of the concerned coal company, along-with the debit advice issued by the bank, certifying that the DD/pay order has been issued, by debiting the account of the concerned Buyer, Sale/Delivery orders shall be issued within seven days by the coal company after encashment of Buyer's financial instrument. The sale / Delivery Orders and Lifting Challan issued by the Coal Company shall indicate destination of the coal consuming unit.

On the Sale / Delivery Orders / Rail Programme, the details of the documents along with their validity will be indicated to facilitate Coal Companies to take action as per Clause 2.2.

11.1.2 The validity period of lifting of coal by road shall be till 31st March 2016 provided the coal value is paid against the Bid Quantity in due time. The validity for lifting against March 2016 shall be 45 days beyond 31.3.2016.

11.2 By Rail:

11.2.1 The inter se seniority of buyers in case of rail-borne monthly programmes shall be determined for supply of coal during the period in terms of seniority of the successful bidders as enumerated by the Service provider in the bid sheet based on the buyers' bids in the period.

11.2.2 The quantity allotted against each rake is only indicative; however delivery shall be made on the basis of actual weightment by the seller at the loading point.

11.2.3 The validity period of a monthly programme for movement by rail for seeking allotment of rake shall be till the last day of the month concerned and consent of the programme shall be issued by the concerned coal company accordingly. However for the first month after commencement of auction, the validity period of the monthly programme for movement by rail for seeking allotment of rake shall be thirty days from the auction date. Once the rake is allotted, it shall remain valid for supply of coal as per prevailing Railway Rules.

11.2.4 Although loading will be the responsibility of the Coal Company, but to avoid any complaint regarding over-loading, under loading and for quality, the Buyer himself or his authorized representative may supervise loading at the loading point. The authorized representative must carry valid authority letter along with photocopy of Identity Card issued by the Service Provider to the consumer.

11.2.5 The overloading and under loading charges, if any, at the rates applicable as per Railway rules, will be borne by the respective Buyer / bidder or the Coal Company as the case may be as follows:

- i) Any penal freight for overloading charged by the Railways for any consignment shall be payable by the Purchaser. However, if overloading is detected from any particular colliery, consistently during three (3) continuous months, on due intimation from the Purchaser to this effect, the Seller undertakes to take remedial measures.
- ii) For Non coking coal of GCV exceeding 5800 Kcal/Kg any idle freight for under-loading below the stenciled carrying capacity, as shown on the wagon or carrying capacity based on the actual tare weight or permissible carrying capacity as notified by the Railways (route-wise) for any particular type of wagon from time to time, in which case the stenciled carrying capacity as shown on the wagon is more than the permissible carrying capacity, as the case may be, shall be borne by the Seller. For all other Grades of Coal and NLW coal of Grade W-II/WIV, any idle freight for under-loading below the stenciled carrying capacity, as shown on the wagon or carrying capacity based on the actual tare weight, as the case may be, plus two (2) tonnes shall be borne by the Seller. However, in the cases where permissible carrying capacity is less than the stenciled carrying capacity, as mentioned above, the idle freight shall be borne by the Seller only upto the permissible carrying capacity.

Idle freight resulting from under loading of wagon, as per point no. (ii) shall be adjusted in the bills.

12. Weighment:

Both in case of road and rail supply, the weighment at the loading point shall be final and binding for all commercial purposes.

13. Refund of EMD/BG for unsuccessful Bidders:

In case of unsuccessful bidders, EMD/BG shall be refunded/returned by the Service Provider after the auction is over, on the bidder's request.

14. Forfeiture of EMD/BG/Security Deposit:

The EMD/Security Deposit submitted by the successful bidder shall be liable for forfeiture in the following cases: -

14.1 If after completion of e-Auction, a successful bidder fails to make payment for the monthly scheduled quantity of the coal value including all other charges as applicable within the stipulated time, the proportionate EMD equivalent to the failed quantity shall be forfeited subject to the provisions of this scheme and its terms & conditions.

14.2 If the successful bidder does not lift the booked quantity within the stipulated validity period, the proportionate security deposit (as converted from the EMD amount) or the applicable BG amount for the un-lifted quantity would be forfeited.

In case of supplies by road, such forfeiture shall be made only if the balance unlifted quantity is equal or more than a truck load i.e., 9 or 10 tonnes as applicable.

14.3 Such forfeiture, however, shall not be applicable if the coal company has failed to offer full or part of the monthly scheduled quantity of the bidder within the validity period. However, no forfeiture would take place if the balance quantity is less than a truck load or rake load.

14.4 If the buyer cancels the order / rake after booking in any month, the corresponding security deposit as converted from EMD or applicable amount of the BG shall be forfeited for the order / rake cancelled.

14.5 In case of failure on the part of consumer / bidder to ensure validity of the documents as per clauses 2.1 resulting in suspension of coal release / lifting due to expiry of validity of any of the documents, corresponding EMD / Security Deposit /BG equivalent to the quantity which could not be released / lifted, shall be forfeited in terms of clause 2.2.

15. Refund of Coal Value:

The balance coal value of the unlifted quantity after the expiry of the validity period for supply of coal and completion of required commercial formalities shall be

refunded subject to forfeiture of EMD/Security Deposit/encashment of BG if required, in terms of forfeiture under this scheme and its terms and conditions.

16. General:

16.1 The coal procured under e-Auction is for the own use of the registered consumer / successful bidder within the country and not for Sale, Transfer or export.

16.2 All terms and conditions of Special e-Auction Scheme shall be subject to standard force majeure conditions as applicable.

16.3 Bidders must always ensure to keep their email address valid. In any case Buyers will not be absolved from fulfilling their obligations / complying with terms and conditions herein including payment terms due to non-receipt of emails from the Service Provider.

16.4 Bidders must be extremely careful to avoid any error in bidding (whether typographical or otherwise) and they are fully responsible to check and rectify their bid before submitting their Bid into the live e-Auction floor by clicking the "Bid" button. During the auction if the incremental bid price is more than 50% of the immediately preceding bid price, then the system will seek a re-confirmation from the Bidder before the bid is registered.

16.5 There is no provision for bidding in decimals. The Bidder shall be solely responsible for all consequences arising out of the bid submitted by him (including any wrongful bidding by him) and no complaint /representation will be entertained by the Service Provider/Coal Company in this regard.

16.6 The decision of the Director-In-Charge of Marketing of CIL / Coal Company in matters related to this e-Auction shall be final and binding on the bidders / Buyers.

16.7 Quantities mentioned in notice are only indicative and may undergo a change depending on factors like actual production of coal, bottlenecks in coal transportation etc.

16.8 Coal Company / Service Provider reserve the right to cancel the sale of coal under this e-Auction from any source / location in part or whole at any stage at its sole discretion without assigning any reason thereof and no party shall have any right whatsoever to raise any claim in that regard on that count.

16.9 CIL/Coal Company reserves their rights to amend/modify the terms and conditions contained herein in full or in part at any point of time and no party shall have any right whatsoever to raise any claim in that regard on that count.

16.10 While the sale under e-auction is independent both parties shall be entitled to claim and recover from the other any excess or differential tax and statutory levies as provided in clause 9.1.8 at any time within a period of 3 years from the date on which the sum becomes recoverable. Both parties shall have a lien on any sums of money belonging to the other, which may come to their possession or control to the extent of the sum recoverable from the other.

16.11 Since the coal supplied under the Special Forward e-auction is for power generation only, the Successful Bidder/Power Producer shall have to furnish a certificate after utilizing the coal supplied under the auction confirming the quantity of Power Generated from such coal at the end of every quarter. The coal supplied to each TPP under such e auction shall be informed by CIL /the supplying coal company to the concerned State DISCOMs/PTC/Power Exchange/Power Traders etc. The State DISCOMs/PTC/Power Exchange/Power Traders will issue a certificate to IPP with a copy to CIL/Supplying coal company regarding power supplied to them by IPP during the quarter. The IPP would submit these certificates and coal consumed for this purpose to CIL/Supplying coal company for reconciliation.

17. Dispute Resolution/Arbitration:

In the event of any dispute, Bidder / Buyer is necessarily required to represent in writing to the General Manager (Sales) of the concerned coal company, who would deal with the same in a period of one month from such representation. Thereafter, if required the matter be determined by the Director-In-Charge of Marketing of the concerned coal company. Any interpretation of any clause of this will be subject to clarification by CIL, which will be deemed as final and conclusive.

All disputes arising out of this scheme or in relation thereto in any form whatsoever shall be dealt Specially by way of arbitration in terms of the Arbitration and Conciliation Act, 1996. The arbitration shall be conducted at Calcutta at a place to be notified by CIL. The arbitrator shall be appointed by the Chairman and Managing Director, CIL upon written request in this behalf. The award rendered by the Arbitrator shall be final and binding on the parties. The place of arbitration & nomination of arbitrator be varied appropriately in view of the Coal Company involved.

18. Acceptance of Terms & Conditions:

The consumer / bidder has to accept the Terms & Conditions before participating in e-Auction and also before issue of delivery order / rail programme.

Schedule-I

AFFIDAVIT

**(On Non-Judicial Stamp Paper of requisite value)
(To be executed before 1st Class/Executive Magistrate)**

I, _____
Proprietor/Director/Partner/Constituted Attorney/Accredited Representative of The
Purchaser M/s. _____, solemnly
declare that:

1. That, the Power Plant (Name of the Plant) is not being able to generate power to its capacity due to shortage in supply of coal and seeks to avail the dispensation for mitigating the short fall through special Forward e-auction being conducted by CIL.

2. We hereby affirm the following particulars regarding the Power Plant for which registration is being applied.

Sl. No.	Particulars	
1.	Name and Address of the Power Plants with Phone/email and Fax	
2.	Number of Unit/Units	
3.	Capacity in MW	
4.	Date of Commissioning of the Units/Expected date for Being Commissioned Units/Plants	

3. Coal purchased will be for own consumption and for power generation only and would not be resold, transferred or exported.

4. That the contents of the foregoing paragraphs of this Affidavit are true to the best of my knowledge and belief.

5. That we shall be obliged to furnish certificate of utilization of coal received through auction and quantum of power generated out of such coal supply in terms of the provision of clause 16.11 of the Special Forward e-auction scheme.

6. That we affirm that if at any stage it is found that the documents produced were false, misleading or any misinterpretation was made, our Plant shall be debarred from participating in e-auction of coal at CIL for next 1 (one) year .

Signature of the Purchaser/Representative of the Purchaser
