

Dear Valued Customer of Linkage e-Auction,

We request all participants to kindly initiate the refund process (if applicable) for your EMD balance upon completion of the FSA for the specific Tranche/Round in which you have participated.

Please note that the EMD balance will not be carried forward to the next Tranche/Round.

Please also note that you need to submit fresh bid security and processing fee for participation in next Tranche or Round of Linkage e-Auctions.

Thank you for your understanding and cooperation.
